

210mm Miter Saw 1700W

This miter saw is a professional-grade power tool designed for precise and efficient cutting of various materials. It operates on a voltage of 220-240V at 50Hz and boasts a powerful 1700W input.

Overview

Professional-Grade Miter Saw

This professional-grade miter saw is engineered for precision and efficiency in industrial applications. Featuring a powerful 1700W motor and a 210mm blade, it delivers clean, fast cuts with a no-load speed of 4700r/min. Designed with safety and accuracy in mind, it includes a laser guide for precise cutting and a transparent, movable protection cover for enhanced visibility.
