Overview

Professional Miter Saw

This 210mm miter saw is a versatile power tool engineered for making accurate crosscuts and miters in various workpieces. It features a mounted circular saw blade that can be pulled down in a quick, controlled motion, allowing for precise angle adjustments ranging from 45° to 90°. Designed for efficiency and accuracy, this tool is an essential asset for woodworking, construction, and professional DIY projects.

Technical Specifications

Power Output

1500 W

Rated Power (S1)

1800 W

Peak Power (S2, 5min)

Voltage	230-240
Frequency	50 Hz
No Load Speed	5000 rpm
Blade Diameter	210 mm
