Overview

High-Performance Cordless Impact Drill

This professional-grade cordless impact drill features an advanced brushless motor, delivering superior efficiency and power for demanding drilling and fastening tasks. Designed for versatility, it offers multiple torque settings and variable speed control to ensure precision across a wide range of materials. With a robust construction and ergonomic handle, this tool is built for comfort and durability in industrial or construction environments.

Performance Metrics

Maximum Torque

45 N.M

Max Torque

Impact Rate

25000 ipm

No Load Speed

0-400 / 0-1600 rpm

Drilling Capacity

Drilling Capacity

Material	Max Capacity
Steel	13mm
Concrete	16mm
Wood	38mm

Power & Battery

Available Battery Capacities

- 1.5Ah
- 2.0Ah
- 3.0Ah
- 4.0Ah

Voltage

18V, 21V

Features

Motor Type

Brushless
