

24-Inch Folding Mountain Bicycle

This 24-inch folding mountain bike is designed for easy storage and transport. It features a suspension fork and multiple gears for a smooth ride on various terrains.

Overview

Versatile 24-Inch Folding Mountain Bicycle

This 24-inch mountain bike is engineered for versatility and convenience, featuring a robust steel folding frame ideal for compact storage and easy transport. Equipped with a 21-speed drivetrain and front and rear disc brakes, it provides reliable performance across various terrains and inclines. The inclusion of a suspension fork and 2.125-inch air tires ensures a smooth, stable ride whether commuting or exploring off-road paths.
