Overview

Compact Entertainment Solution

This 24-inch LED television is designed to provide a versatile and immersive viewing experience in a compact form factor. Featuring a glossy black finish and a stable Y-style base, it is well-suited for bedrooms, kitchens, or dorm rooms. The display offers high-quality visuals with a 16:9 aspect ratio and wide viewing angles, while the multiple connectivity ports ensure easy integration with gaming consoles, media players, and external storage devices.
