

24AWG FTP Cat5e Ethernet Cable with RJ45 Connector

This 24AWG CE FTP Cat5e internet cable is 305 meters long and comes with a RJ45 8P8C connector. The shielded twisted pair (FTP) construction minimizes interference and ensures optimal signal quality.

Product Overview

High-Performance Networking Solution

This 24AWG FTP Cat5e Ethernet cable is engineered for reliable, high-speed data transmission in demanding networking environments. Featuring shielded twisted pair (FTP) construction, it effectively minimizes electromagnetic interference to maintain signal integrity. With a generous 305-meter length and standard RJ45 8P8C connectivity, it provides the flexibility required for professional-grade custom network installations.

Technical Specifications

Wire Gauge	24AWG
Cable Type	Cat5e FTP (Foiled Twisted Pair)
Connector Type	RJ45 8P8C
Length	305 m
