Overview

Reliable Silent Power Generation

This gasoline-powered silent generator is engineered to provide stable and dependable electricity for diverse professional needs. Available in 2.5kW, 2.8kW, and 3.0kW output configurations, it features a specialized sound-dampening enclosure designed to minimize operational noise. With a compact design, integrated wheels, and a user-friendly control panel, it offers an ideal solution for backup power, construction sites, and outdoor events.

Performance

Rated Power Options

- 2.5 kW
- 2.8 kW
- 3.0 kW

Engine Type

Gasoline

Features

Certifications

ISO 9000 Approved

Key Features

Silent Operation, Sound Dampening Enclosure, Portable Design, Integrated Wheels

Control Panel

Control Panel Components

- Multiple AC Outlets
- Circuit Breakers
- Monitoring Interface
