

25-Person Inflatable SOLAS Liferaft

This SOLAS-approved inflatable liferaft is designed to accommodate up to 25 people. It is suitable for storage at a height of 18~36m.

Overview

Professional SOLAS Liferaft

This 25-person inflatable liferaft is engineered to meet strict SOLAS safety standards for commercial maritime use. It features a robust, weather-resistant canopy providing essential protection, coupled with highly stable inflatable buoyancy chambers. Designed for rapid deployment, it is a critical safety asset for emergency scenarios at sea.

Technical Specifications

Passenger Capacity	25 people
Compliance Standards	SOLAS

Key Features

Primary Equipment

- Weather-resistant protective canopy
- High-stability buoyancy chambers
- Rapid-deployment emergency mechanism
- Integrated safety equipment kit
- Easy-access entry system
