

2500 KG Capacity Hand Pallet Truck

This hand pallet truck ensures safe and easy operation. It features a hard chrome plated ram and piston with a 3-position control.

Overview

Reliable Material Handling Solution

This robust 2500 KG capacity hand pallet truck is engineered for efficient material handling in warehouses, factories, and distribution centers. It features a durable steel construction for long-lasting performance and a hydraulic lift mechanism designed for smooth, precise operation. With an ergonomic handle, it ensures comfortable handling of palletized goods, making it an essential tool for daily logistics tasks.
