

250cc Large-Size All-Terrain Vehicle (ATV)

This large-sized 250cc ATV is designed for off-road adventures. It features a robust suspension system and large knobby tires for superior traction.

Product Overview

High-Performance 250cc All-Terrain Vehicle

The A71-250 is a large-sized ATV engineered for demanding off-road environments. Powered by a 250cc water-cooled engine, it delivers a maximum speed of 90km/h, making it suitable for both recreational and utility tasks. Its robust aluminum air-cell adjustable suspension and hydraulic disc brakes ensure superior control and safety across diverse terrains.
