

250cc Two-Seat Off-Road Go-Kart

This rugged off-road go-kart is designed for recreational use. It features a sturdy steel frame, a powerful 250cc engine, and robust suspension for handling challenging terrain.

Overview

Rugged Off-Road Performance

This 250cc Two-Seat Off-Road Go-Kart is engineered for durability and performance on challenging terrain. Featuring a robust 4-stroke, water-cooled engine paired with a CVT automatic transmission, it offers a smooth yet powerful driving experience. With dual seating, hydraulic disc brakes, and a heavy-duty steel frame, this vehicle is built to provide both excitement and safety for recreational off-road adventures.
