

255mm 1200W Mitre Saw

This 255mm mitre saw is engineered for precise cutting in various materials. The 1200W motor delivers consistent power and speed for efficient and accurate cuts.

Overview

High-Performance 255mm Mitre Saw

This 255mm (10-inch) mitre saw is engineered for precision cutting across a variety of materials, including wood, plastic, and aluminum. Powered by a robust 1200W motor, it delivers consistent speed and power for efficient, accurate results. Designed with a sturdy base for stability and precise angle adjustments, this tool is well-suited for both professional workshops and demanding DIY applications.

Technical Specifications

Input Power	1200 W
No Load Speed	6000 RPM
Blade Diameter	255 mm
Supported Voltage	230V, 110V
Frequency	50/60Hz

Cutting Performance

Max Cutting Capacity

Angle	Capacity (mm)
90°	85 x 115
45°	83 x 80
