

26L Compact Beverage Display Refrigerator

This display refrigerator is suitable for showcasing brand wine, beer, soft drinks, or food in stores and shops. Its customizable door and decoration make it ideal for brand promotion at events and locations like beaches.

Product Overview

Compact Cooling Solution

This 26L mini display fridge is a compact and efficient refrigeration solution, ideal for showcasing beverages and snacks. Its vertical design maximizes space utilization, making it suitable for countertops or limited areas. Featuring a transparent door for clear product visibility and an adjustable thermostat, this unit is perfect for home, office, or retail use.
