## Product Overview

### Versatile Aluminum Storage Solution

This high-quality 28L aluminum box is designed to serve as a durable top case, side pannier, or rear trunk for motorcycles and scooters. Built from 2mm solid material, it provides robust protection against weather and impacts while keeping your belongings secure with an integrated locking mechanism. The universal mounting design ensures compatibility with a wide range of motorcycle models, making it an ideal choice for both daily urban commuting and long-distance touring.
