Product Overview

A durable 28L aluminum storage solution for versatile use on motorcycles and scooters.

Rugged Versatility

This premium motorcycle storage solution is crafted from 2mm aviation-grade aluminum, offering superior durability compared to standard 1mm alternatives. Designed for versatile use, it functions effectively as a top case, rear trunk, or side pannier for touring, adventure, and commuter motorcycles. With a sleek 28L capacity and robust security features, it provides professional-grade storage for riders who prioritize both protection and style.

Physical Dimensions

Compact design optimized for space without compromising storage capacity.
