

## 29-Piece Amber Coated Twist Drill Bit Set

This 29-piece drill bit set features fully ground, amber-coated twist drill bits. The bits are stored in a durable iron box for easy access and protection.

### ADDITIONAL IMAGES

### Product Overview

#### Professional Grade Drill Bit Set

This 29-piece twist drill bit set is engineered from high-speed steel (HSS) and features a durable amber coating for superior wear resistance and reduced friction during operation. Designed to meet DIN338 standards, these fully ground bits offer precision and efficiency across a wide range of materials, including metal, wood, and plastic. The set is conveniently organized in a robust metal storage box, making it an essential addition to any professional workshop or tool collection.
