

# 3-Gallon Portable Air Compressor

This air compressor features a 3-gallon tank and delivers a maximum pressure of 100 PSI. It provides 1.5CFM at 40PSI and 0.7CFM at 90PSI.

## Overview

### Compact Portable Air Compressor

This 3-gallon portable air compressor is engineered for versatility and ease of use in home, workshop, and light industrial environments. Featuring a robust motor and a durable tank design, it provides reliable performance for various inflation and pneumatic powering tasks. Its compact form factor and integrated carrying handle ensure it is easy to transport between job sites, making it an ideal tool for professionals requiring mobility.

## Performance

### Key Performance Metrics

<b>100 PSI</b> Maximum Pressure	<b>1.5 CFM</b> Airflow at 40 PSI	<b>0.7 CFM</b> Airflow at 90 PSI	<b>300 W</b> Power Output
