

3-in-1 Kitchen Appliance: Blender, Coffee Maker, and Juicer

This multi-functional kitchen appliance combines a blender, coffee maker, and juicer in one unit. It features a transparent blending jar and a separate attachment for coffee grinding or small-batch juicing.

Product Overview

Versatile 3-in-1 Kitchen Solution

This multi-functional kitchen appliance is designed to streamline food and beverage preparation by combining a blender, coffee maker, and juicer into a single, space-saving unit. Featuring a robust base with intuitive rotary controls, it offers the flexibility needed for various culinary tasks, from blending smoothies to grinding coffee beans. The system includes a large, graduated blending jar for standard tasks and a specialized attachment for precision grinding or small-batch juicing, making it an ideal choice for efficient kitchen workflows.

Technical Specifications

Functions	Blender, Coffee Maker, Juicer
Control Interface	Rotary control knob
