Overview

Versatile 3-in-1 Food Preparation System

The KD310B is a multi-functional kitchen appliance that combines a high-capacity blender, a dry mill, and a mincer into one compact unit. Designed for efficiency, it features stainless steel cutting blades and a safety interlock system to ensure reliable performance during heavy-duty tasks like grinding spices or mincing meat. With its dual-speed control and pulse function, professional kitchens and home users alike can achieve precise textures for a wide range of recipes.
