

30-Liter Countertop Toaster Oven with Hot Plates

This 30-liter toaster oven is equipped with both oven and hot plate functions. It features a 60-minute timer, stainless steel heating element, and a temperature range of 100-250C.

Overview

Professional 30L Countertop Versatility

This 30-liter countertop oven combines a spacious baking cavity with integrated dual hot plates, providing a comprehensive solution for kitchens with limited space. Featuring a high-performance heating system with stainless steel elements and a wide 100-250°C temperature range, it handles everything from precise baking to quick stovetop cooking. The inclusion of a 60-minute timer and multiple heating stages offers consistent, reliable results for commercial or professional settings.
