

310cc Gas Scooter with ABS

This gas scooter has a 310cc short wheelbase, water-cooled EFI engine, and Bosch EFI. It is equipped with tire pressure monitoring, Bosch ABS, and a keyless entry system.

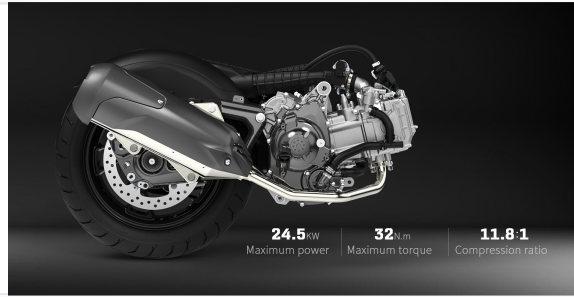

Overview

High-Performance 310cc Maxi-Scooter

This 310cc gas-powered maxi-scooter is engineered for both efficient urban commuting and comfortable long-distance touring. Equipped with an advanced water-cooled EFI engine and a dual-channel Bosch ABS system, it provides a seamless blend of power, safety, and reliability. Modern features such as a full-color TFT display, keyless PKE system, and integrated tire pressure monitoring ensure a premium, technologically connected riding experience.
