

36V Cordless Electric Lawn Mower

This cordless lawn mower operates on a 36V battery system. It features adjustable cutting heights and a collection bag for grass disposal.

Product Overview

Efficient Cordless Lawn Maintenance

This 36V cordless electric lawn mower offers a convenient and eco-friendly solution for professional-grade lawn care. Powered by a dual 18V battery system, it provides complete freedom of movement without the constraints of cords. Designed for small to medium-sized areas, it features a robust brushless motor and adjustable cutting heights to ensure a precise, well-manicured finish.
