

3/8" Drive TRX Star Socket Set - 7 Piece

This 7-piece socket set features 3/8" drive TRX star sockets. The sockets are made from chrome vanadium steel and include sizes E10, E11, E12, E14, E16, E18, and E20.

Overview

Professional Grade TRX Star Socket Set

This 7-piece socket set is designed for professional use, featuring a 3/8" drive compatible with standard ratchets and extensions. Each socket is manufactured from high-quality chrome vanadium steel to ensure long-lasting durability and resistance to wear. The satin finish and integrated knurling provide a superior grip, making them ideal for high-torque applications in automotive and industrial environments.
