

380mm Electric Cylinder Lawn Mower 400W

This cylinder lawn mower uses a contact-free cutting technique, ensuring low noise and superior cutting quality. It provides a beautiful, green, English-style lawn.

Overview

Efficient Cylinder Mowing

This 400W electric cylinder lawn mower is designed for precise, scissor-like cutting that promotes a healthier lawn. Featuring a 380mm working width and an adjustable cutting height, it offers an efficient solution for maintaining small to medium-sized residential lawns. The unit is lightweight and includes a convenient 45-litre collection box for easy grass disposal.
