Product Overview

Versatile 4-in-1 Connectivity

This 4-in-1 USB cable streamlines your charging setup by combining IP and USB-C connectors into a single, durable cord. It supports 60W Power Delivery, making it capable of charging laptops, tablets, and smartphones with high-speed efficiency. Designed for both power and data, it allows for simultaneous charging and file transfers at speeds up to 480Mbps.

Performance

Maximum Power Output

60 W Power Delivery	3 A Current
-------------------------------	-----------------------

Data Transfer Speed	480 Mbps
----------------------------	----------

Compatibility

Connector Types	USB-C, Lightning, USB-A
------------------------	-------------------------

Build Quality

Durability Features

- Anti-pull design
- Aramid fiber support cores
- TPE-coated connectors
- Wear and tear resistant

Material	High-density nylon braided
-----------------	----------------------------

Technical Specifications

Available Lengths

- 4ft
- 6.6ft

Supported Standards

Power Delivery (PD) • Quick Charge 3.0 (QC3.0)
