Product Overview

Our conveyor trolleys and related hardware showcased at an international industrial exhibition.

High-Performance 4-Inch I-Beam Overhead Conveyor Trolley

This 4-inch I-beam overhead conveyor trolley is engineered for heavy-duty industrial material handling and smooth movement along I-beam tracks. Designed for versatility, it is compatible with various drop-forged rivetless chains and can be customized based on specific technical drawings or samples. These trolleys are ideal for automotive assembly lines, painting lines, and high-capacity conveying systems requiring reliable, long-term performance.

Technical Specifications

Compatible Chain Models

- X348
- X458
- 468H
- X678
- 698
- 698H
- F100x16
- F100x17
- F160x24

Track Compatibility	4-Inch I-Beam
Available Materials	40Cr, 20CrMnTi, 42CrMo
Detachable Chain Series	51, 52, 55, 57, 62, 74, 78

Product Features

Primary Applications

- Car Assembling Lines
- Painting Lines
- Overhead Conveying Systems
- Scraper Conveyors

Customization	Production available based on customer drawings or samples
Available Components	Free Trolley, Yokes, Extended Pins, Pushers, Nylon Scrapers

Quality & Compliance

Manufacturing Standard
ISO 9001

Certifications
SGS

Scraper Chain Options

Forged Link Scraper Chain Dimensions

Model/Pitch	Dimensions (mm)
P101.6	101.6 x 36 x 8
P142	142 x 50 x 19
P142 (Wide)	142 x 50 x 29
P200	200 x 50 x 25
