Overview

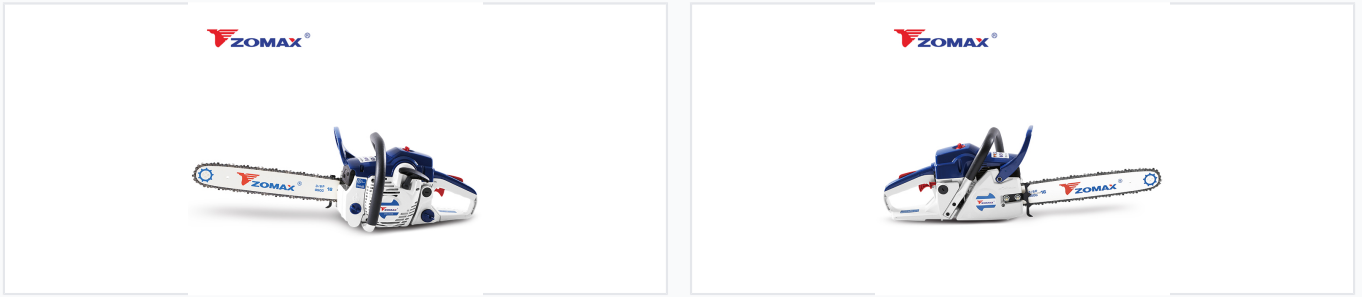

Professional Performance for Wood Cutting

This 40cc gasoline-powered chainsaw is engineered for both professional landscaping and home wood-cutting applications. It features a digital-type ignition system for stable performance and an automatic anti-kickback braking system for operator safety. Built with a focus on durability, the machine offers an extended engine life of 150-200 hours and low vibration for reduced user fatigue.

Technical Specifications

Displacement	39.6 cc
Rated Power	1.5 kW
Maximum Speed	11000 rpm
Dry Weight	4.3 kg
Fuel Tank Capacity	410 ml
Oil Tank Capacity	240 ml

Cutting Capabilities

Chain Specifications

- Pitch: 0.325 inch or 3/8 inch
- Gauge: 0.050 inch or 0.058 inch

Available Bar Lengths

14 inch, 16 inch, 18 inch

Features

Key Features

Automatic Anti-Kickback Brake • Digital Ignition System • Low Vibration Design • Enhanced Lubrication
