

42-Inch Indoor Ceiling Fan with Light

This 42-inch ceiling fan is designed for residential use. It features a central light fixture and four blades, providing both air circulation and illumination.

Overview

Versatile Indoor Comfort

This 42-inch indoor ceiling fan combines efficient air circulation with integrated lighting, making it an ideal choice for residential spaces. Featuring a sleek silver finish and a combination of iron, wood, and glass materials, it offers a balanced aesthetic for modern interiors. The fan is designed for quiet operation and features convenient pull-chain controls for both speed and illumination.
