

420L Chest Freezer

This 420L chest freezer provides ample storage for frozen goods. Its efficient cooling system maintains consistent temperatures to preserve food quality.

Overview

High-Capacity Storage Solution

The 420L Chest Freezer provides a robust and reliable solution for businesses and commercial environments requiring substantial frozen storage capacity. Engineered for performance, it maintains temperatures below -8°C to ensure the integrity of your inventory. With a durable build and efficient cooling technology, this unit is designed to meet the rigorous demands of professional use.

Technical Specifications

Freezer Volume	420 L
Operating Temperature	$<-8^{\circ}\text{C}$
Refrigerant	R134a
Insulation Foam Thickness	70 mm

Electrical Requirements

Energy Consumption Class	B
Rated Voltage	220 V
Frequency	50-60Hz

Dimensions and Logistics

Product Dimensions (L*W*H)	1450 * 620 * 825 mm
Packing Dimensions (L*W*H)	1500 * 690 * 875 mm
Net Weight	63 kg
Load Capacity (40ft H.Q.)	75 PCS

Compliance

Certifications & Approvals	CE
