Overview

High-Performance 42W LED Work Light

This 42W LED work light is engineered for demanding industrial and off-road environments, featuring a robust 65mm thick diecast aluminum housing. Equipped with 14 high-intensity Epistar LEDs, it delivers a powerful 6000K cool white beam with an IP67 waterproof rating for reliable outdoor performance. Designed for longevity and versatility, it offers a 30,000-hour lifespan and flexible mounting options for construction, agricultural, and heavy-duty machinery.
