

43.1cc Gasoline Brush Cutter with Anti-Vibration System

This brush cutter features a primer bulb for easy starting and an effective anti-vibration system. Its combination throttle/switch structure and auto-feed nylon head enhance usability.

Overview

Professional Grade Landscaping Performance

This 43.1cc gasoline brush cutter is a robust and comfortable tool engineered for demanding landscaping tasks and large-scale maintenance. Featuring a powerful 2-stroke engine and a straight solid drive shaft, it provides the necessary torque to efficiently clear thick grass, weeds, and dense brush. The ergonomic design and anti-vibration system ensure long-lasting performance and reduced operator fatigue during extended professional or home use.

Performance Metrics

Engine Displacement

43.1 cc

Displacement

Engine & Power

Engine Type	2-stroke
Fuel Source	Gasoline

Design & Ergonomics

Handle Design	Ergonomic bike handle
Shaft Configuration	Straight, solid drive shaft
Comfort Features	Anti-Vibration System, Ergonomic Grip, Balanced Weight Distribution

Applications

Recommended Applications

- Large areas of tough grass
- Thick weeds
- Dense brush clearing
- Professional landscaping
- Residential property maintenance
