Product Overview

Compact & Efficient Laundry Solution

This 4.5kg capacity top-load washing machine is engineered for high-efficiency cleaning in a compact footprint, making it an ideal choice for smaller living spaces or households with limited laundry needs. Featuring a durable plastic body that resists rust and a stainless steel inner tub, it combines longevity with a fashionable, modern design. The unit offers 8 distinct wash programs and a child-safe lockout feature, ensuring both versatility and peace of mind during operation.
