Product Overview

Portable Cooling Solution

This 45L portable car fridge and freezer is an essential companion for camping, road trips, and outdoor activities. Designed for versatility, it operates on both DC 12V/24V and AC 100-240V power sources, ensuring reliable performance in vehicles and at campsites. With precise temperature control ranging from -20°C to 10°C, it provides efficient cooling and freezing capabilities for your food and beverages while on the go.

Technical Specifications

Model Numbers

- CFP-35L
- CFP-45L

Capacity	35L / 45L
Temperature Range	-20 to 10
Power Consumption	48 W
Voltage Input	DC 12V, DC 24V, AC 100-240V

Quality & Compliance

Certifications

CE • CB • KC • ETL • LFGB • GS • PSE • RoHS

Logistics

Packaging	1 PC per Carton
Shipping Ports	Ningbo, Shanghai
Minimum Order Quantity	300
