

4L Mini Fridge Cooler for Cosmetics and Skincare

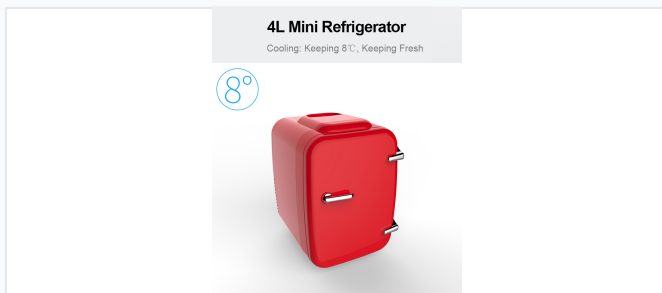

This 4L mini fridge is designed for cooling and storing cosmetics and skincare products. Its compact size makes it ideal for personal use in bedrooms, offices, or dorm rooms.

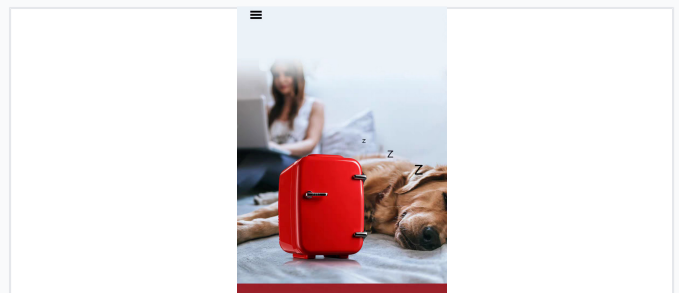

ADDITIONAL IMAGES

Overview

Maintains a steady 8°C environment to keep cosmetics and skincare products fresh.

Ultra-quiet operation makes it ideal for bedside or office desk use.

Versatile 4L Mini Personal Cooler & Warmer

This compact 4L mini refrigerator is specifically designed for the professional storage of cosmetics, skincare products, and beverages in bedrooms or office environments. Utilizing advanced semiconductor thermoelectric technology, it offers both cooling and warming functions without the use of compressors or CFCs, making it an eco-friendly choice for personal use. Its portable design with a convenient carry handle ensures your temperature-sensitive essentials remain fresh and accessible wherever you need them.
