

5 Cubic Foot Concrete Mixer

This concrete mixer has a 5 cubic foot capacity. It is powered by a 370W motor and has 10*7.5 wheels.

Product Overview

Reliable 5 Cubic Foot Concrete Mixer

This concrete mixer features a 5 cubic foot drum capacity, making it a robust and efficient solution for small to medium-sized construction projects. Powered by a 370W electric motor, it ensures consistent and reliable performance for mixing concrete, mortar, or plaster. Its compact design and maneuverable wheels provide excellent portability, while the sturdy frame offers necessary stability during operation.
