

# 5-Meter Measuring Tape with 19mm Wide Blade

This durable 5-meter measuring tape is designed for accurate measurements. It features a 19mm wide tape for enhanced readability and sturdiness.

## Product Overview

### Professional Grade Measuring Tape

This 5-meter measuring tape is engineered for durability and precision in demanding work environments. Featuring a 19mm wide blade for enhanced readability and structural integrity, it is designed to withstand daily use in construction and woodworking. The casing is finished with a comfortable rubber coating for a secure grip, while the blade itself is treated with grease to prevent rust and ensure smooth operation.

## Technical Specifications

Tape Length	5 m
Blade Width	19 mm

## Features

### Key Features

- Rubber-coated casing for ergonomic grip
- Grease-coated blade for rust prevention
- Clear calibration markings
- Integrated belt clip
- Secure end hook attachment

Ideal Applications	Construction, Woodworking, DIY Projects, General Measurement
