

5-Meter Self-Locking Tape Measure

This tape measure is designed for accurate measurements with a self-locking mechanism for ease of use. Its robust casing provides protection against wear and tear, and it extends to 5 meters with clear graduations.

Product Overview

High-Performance Measurement Tool

This 5-meter self-locking tape measure is engineered for precision and durability in professional environments. It features a robust protective casing to withstand heavy usage and a reliable self-locking mechanism that simplifies one-handed operation. With clear, easy-to-read graduations, it provides consistent accuracy for a variety of construction and DIY applications.

Key Features

Core Functionality

- Self-locking mechanism
- Durable impact-resistant casing
- Clear high-visibility markings

Technical Specifications

Measuring Range	5 m
Model Number	CR-G47

Certifications and Usage

Ideal For	Professional Construction, DIY Projects, Industrial Use
