

5-Ton Heavy-Duty Pallet Truck

This heavy-duty 5-ton hand pallet truck is designed for efficient material handling. Its robust hydraulic system ensures smooth lifting and lowering, while the durable steel construction guarantees long-lasting performance.

Overview

Heavy-Duty Material Handling

This 5-ton capacity hand pallet truck is engineered for demanding industrial environments where reliability and strength are paramount. Featuring a robust hydraulic system, it allows operators to lift heavy loads with minimal physical effort, increasing efficiency in warehouses and distribution centers. The durable steel construction ensures long-term performance, while the pedestrian-operated design provides precise control for safe material transport.

Dimensions

Dimensions Table

Specification	Value	Unit
Overall Length	1546	mm
Overall Width	588	mm
Overall Height	1300	mm
Fork Length	1150	mm
Single Fork Width	210	mm

Technical Details

Fork Height Range	90 - 200 mm
Net Weight	192 kg
Operation Type	Pedestrian Hand Operation
