Product Overview

Ergonomic design for comfortable wood cutting operation.

High-Performance Gasoline Chainsaw

This 50CC gasoline chainsaw is engineered for professional and domestic wood cutting, offering a balance of power and precision. Equipped with a digital-type ignition system and automatic anti-kickback braking, it ensures stable, safe performance for demanding tasks such as felling and pruning. Its ergonomic, low-vibration design promotes operator comfort, while high-consistency components support long engine service life.

Available Options

Easy-Starter, Fuel Primer, Anti-freeze

Technical Specifications

Featured Metrics

49.8 cc

Displacement

2 kW

Rated Power

11000 rpm
