

52-Inch Decorative Ceiling Fan with Light Kit

This decorative ceiling fan features a 52-inch blade span, suitable for medium to large rooms. It includes five wooden blades with a dark finish and a central fixture with floral-shaped glass shades for illumination.

Product Overview

Elegant Airflow Solution

This 52-inch decorative ceiling fan combines functional cooling with sophisticated design, making it an ideal choice for medium to large-sized interior spaces. Featuring five wooden blades and an ornate antique brass finish, it serves as both a cooling appliance and a statement lighting fixture. The integrated light kit, complete with floral-shaped glass shades, provides ambient illumination while the durable iron construction ensures long-lasting performance.
