

52-Inch Indoor Ceiling Fan with Integrated Lighting

This decorative ceiling fan features a 52-inch blade span, suitable for medium to large rooms. It includes five wood grain finish blades and integrated lighting with multiple glass shades.

Product Overview

Elegant Indoor Air Circulation

This 52-inch ceiling fan combines functional air circulation with decorative antique brass styling. Featuring a robust iron, wood, and glass construction, it is designed to enhance the aesthetic of medium to large-sized indoor spaces. The unit integrates both cooling performance and ambient lighting, making it a versatile choice for professional interior environments.
