

52-Inch Indoor Ceiling Fan with Light Kit

This 52-inch ceiling fan features five blades and an integrated light kit. It is designed for indoor use, providing efficient air circulation and ambient lighting with its frosted glass shades.

Product Overview

Professional Indoor Air Circulation

This 52-inch indoor ceiling fan is designed to provide efficient air circulation while enhancing the aesthetic of living rooms, bedrooms, and dining areas. It features a durable metal housing with a clean white finish, complemented by five blades and an integrated light kit. The included frosted glass shades offer soft, ambient lighting, making this a functional and stylish solution for residential or commercial interior spaces.
