

52cc Gasoline Powered Chain Saw

This gasoline chain saw features a 52cc engine, providing substantial power for cutting trees, branches, and logs. Its durable chain and bar ensure smooth, precise cuts.

Product Overview

High-Performance Gasoline Chain Saw

This 52cc gasoline-powered chain saw is engineered for demanding cutting tasks, offering the reliability and power needed for professional and home outdoor projects. It features a robust engine design that delivers consistent torque for efficient cutting of trees, branches, and logs. Equipped with essential safety mechanisms and operator-focused technology, this tool balances performance with user comfort.

Technical Specifications

Engine Displacement	52 cc
Power Source	Gasoline Engine
Fuel Requirements	Gasoline and oil mixture

Safety & Features

Operational Warnings

- Consult owner's manual before use
- Wear protective clothing
- Handle gasoline with care

Safety Features

Chain brake system, Anti-vibration technology
