

52cc Petrol Brush Cutter with Anti-Vibration System

This brush cutter features a primer bulb for easy starting and an effective anti-vibration system. It has a combination throttle/switch structure and comes with both a nylon head and metal blade.

Product Overview

Professional-Grade Performance

This 52cc petrol brush cutter is engineered for demanding landscaping and gardening tasks. It features a robust 2-stroke engine designed to handle thick grass, weeds, and brush with ease. The ergonomic bike handle and integrated anti-vibration system significantly reduce operator fatigue, making it suitable for extended use on large properties.
