

56-Inch Industrial Ceiling Fan

This 56-inch ceiling fan is designed for industrial and large residential spaces. It features three blades for efficient air circulation and a durable construction.

Product Overview

Industrial Air Circulation Solution

This 56-inch industrial ceiling fan is engineered for high-performance air circulation in large spaces such as workshops, warehouses, and expansive residential areas. Featuring a durable construction of iron and plastic, it provides reliable cooling and airflow efficiency. The clean white finish ensures it integrates seamlessly into various professional and commercial environments.

Technical Specifications

Model Number	CF8056-3M(S)
Product Code	CF8056-3M(S)
Size	1400 mm

Materials & Origin

Color	White
Materials	Iron, Plastic
Place of Origin	Guangdong, China
Place of Shipment	Guangdong, China
