

# 5L Compact Mini Fridge for Drinks and Cosmetics

This compact 5L mini fridge is designed for storing energy drinks and makeup. It features efficient temperature regulation and versatile AC and DC power options.

## ADDITIONAL IMAGES

## Overview

A portable 5L solution for personal cooling needs, perfect for energy drinks and makeup.

## Versatile 5L Mini Fridge

This compact 5L mini fridge is an ideal solution for storing energy drinks, cosmetics, and skincare products at optimal temperatures. Designed for versatility, it features both cooling and heating functions, making it suitable for year-round use in bedrooms, offices, or vehicles. Its lightweight, portable design and dual power options ensure convenience whether you are at home or on the road.

## Performance

### Key Performance Metrics

**5 L**

Capacity

**48 W**

Power Consumption

**20**

Max Cooling Below Ambient

## Technical Specifications

Item Number	MFA-5L
Refrigeration Principle	Semiconductor Refrigeration
Insulation	High density EPS

## Temperature Control

Cooling Performance	16-20 below ambient temperature (at 25 )
Heating Performance	50-60 by thermostat

## Power & Connectivity

### Supported Voltage

- DC 12V (Car)
- AC 100V-240V (Household)

### Included Cables

Cable Type	Length
Car Charger Cable	2m
Household Cable	1.8m

## Compliance & Quality

Our products meet rigorous international standards including CE, RoHS, and ETL.

Product Certifications	CB, CE, KC, ETL, LFGB, GS, PSE, RoHS
------------------------	--------------------------------------

## Ordering Information

### Customization Available

- Custom Logo
- Custom Color
- Custom Shell Design
- Custom Packaging
- Carton Marking

Minimum Order Quantity	300 pcs
