

6-Inch Aluminum Alloy Speaker Stand

This basin-shaped stand is made from aluminum alloy. It is designed as an accessory for 6-inch speakers, providing a stable base and enhancing sound projection.

Overview

Professional S-Series Speaker Stand

This aluminum alloy basin-shaped stand is a precision-engineered accessory designed specifically for S-series 6-inch speakers. Constructed from high-quality, lightweight aluminum alloy, it provides a robust and aesthetically pleasing mounting solution. The design offers excellent vibration damping and heat dissipation properties, making it an ideal choice for both DIY speaker projects and professional audio applications.
