

# 6-Inch Diagonal Cutting Pliers

These 6-inch diagonal cutting pliers are designed for precision cutting of wires and small components. The pliers feature induction-hardened cutting edges and ergonomic handles.

## Product Overview

### Professional Diagonal Cutting Pliers

These 6-inch diagonal cutting pliers are engineered for precision and durability in demanding work environments. Constructed from high-quality 55# carbon steel, they feature induction-hardened cutting edges that maintain sharpness over extended use. The ergonomic PP+TPR handles ensure a secure and comfortable grip, making them an ideal choice for electrical work, electronics assembly, and general-purpose cutting tasks.

## Technical Specifications

Material	55# Carbon Steel
Handle Material	PP + TPR
Size	150 mm
Weight	0.198 kg

## Features

### Key Features

- Hardened cutting edge for extended sharpness
- Machined jaws for maximum gripping strength
- Ergonomic rubber cover for comfort
- Polished finish

## Packaging & Logistics

Packaging	Hanging card, Bandage
