

6-Inch Long Nose Pliers with Rubber Grip

These 6-inch long nose pliers are designed with a rubber-like grip handle for comfortable use. Drop forged from high-quality carbon steel, the pliers are heat treated and well-machined for enhanced durability and precision.

Product Overview

Professional Grade Long Nose Pliers

These 6-inch long nose pliers are engineered for precision and durability in fine finishing tasks and general applications. Constructed from high-quality drop-forged carbon steel, they are heat-treated and well-machined to ensure long-lasting performance. The ergonomic double-color rubber-like grip handles provide enhanced comfort and control during extended use.

Technical Specifications
