

6 kg Capacity Full Automatic Impeller Washing Machine

This full automatic impeller washing machine offers convenient and efficient laundry care. Featuring a digital display and user-friendly controls, it allows for easy selection of various wash cycles and settings.

Product Overview

High-Efficiency Automatic Laundry Solution

This 6kg capacity full-automatic impeller washing machine is designed for modern, efficient home laundry care. Featuring an intelligent computer board and 3-D waterfall stereo cross-flow scrubbing, it ensures deep cleaning while minimizing fabric wear and preventing tangling. With advanced features like 24-hour delay start, air-drying, and barrel cleaning, this unit combines convenience with robust performance.

Key Features

Smart Functionality

VFD Display, Power-down Memory, Fuzzy Control, 24-Hour Booking, Auto Barrel Cleaning, Air Drying

Performance Metrics

Efficiency Indicators

6 kg

Washing Capacity

0.808 ratio

Cleaning Rate

90.5 %

Dehydration Property

3168 cycles

Failure-Free Cycles

Technical Specifications

Electrical Requirements

Parameter	Value
Rated Voltage	220V
Rated Frequency	50 Hz
Washing Power	350W
Dehydration Power	350W

Operational Noise

- Washing Noise: 57.6 dB
- Dehydration Noise: 61.0 dB

Safety and Efficiency

Energy Efficiency Level 2 • IPX4 Waterproof Grade • Anti-Shock Protection Class I

Physical Dimensions

Size and Weight

Metric	Value
Net Weight	28 kg
Gross Weight	31 kg
Outline Dimensions	542 x 540 x 895 mm
Packing Size	584 x 576 x 975 mm
